TO THE MEMBERS OF THE COMMON COUNCIL:

RE: Resolution No. R-77-25

Since I am most interested in seeing that our City employees are treated fairly according to the contract provisions with the International Association of Machinists and Aerospace Workers, Local Lodges 2569, 2570 and 2571, commencing November 9, 1975, I will be happy to have an ordinance prepared which would provide for the City to institute the wage increases set forth in this Agreement. However, in that this would effect the 1977 Budget and Salary Ordinances already passed by Council and approved by the Mayor, I have first asked the City Attorney to request the opinion of the Attorney General of the State of Indiana as to the following:

- a. Can the City of Fort Wayne Common Council and Mayor alter the Salary Ordinance already passed and approved, by increasing the salaries set forth in that Ordinance.
- b. Can the 1977 budget figures as set forth in the 1977 Budget passed and approved be changed.
- c. Can the City of Fort Wayne legally go into deficit spending in order to honor this Agreement.

If the opinion of the Attorney General is affirmative, I will then request that the new ordinance be prepared.
